RE: Street Lighting Assessment – Margaretta Township

Dear Mr. Jeffrey:

Please accept this letter as verification of Margaretta Township's desire to maintain the 0.14 Mill assessment for street lighting in the township for the tax periods 2023, 2024, & 2025. This assessment will generate approximately \$18,000 annually and will apply to all parcels within Margaretta Township excluding those exempt properties (i.e. schools, churches, government owned properties, etc...).

If you are in need of additional information, please contact me at 419-271-3021 or via email at bobday@daysltd.com.

Sincerely,

Bob Day
